Displaced Persons: No

CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

Two engine companies, one truck company, one chief officer, and AMR responded to a report of a single vehicle car accident with two trapped victims on the westbound Tyler off ramp. The first arriving fire captain reported a vehicle on the Tyler off ramp that had sustained major damage and contained two trapped victims. Evidence suggests that the car came off the westbound 91 Freeway, went down the embankment, struck at least one palm tree, and came to rest on the off ramp. Both patients were extricated and transported to a local area hospital. The westbound Tyler off ramp was closed for approximately 20 minutes. The scene was left to CHP.
